

Dear Friends and Rotary Members in the US,

I am reaching out to ask your support for our community development projects in Kisumu, Kenya. Our new Community Based Organization, Kisumu Time Hub, will benefit with your help by participating in our fundraising effort with the RaiseRight gift card fundraising program in the US.

What is RaiseRight?

RaiseRight is a gift card fundraising platform that allows you to purchase gift cards for your everyday purchases such as for gas, groceries, pharmacy needs, home and garden supplies, and other stores. A percentage of every shopping card purchased is donated to the YTB nonprofit organization we have been working with. The only cost is the small fee to buy the cards of 29 cents using the RaiseRight mobile app or their website. Help us raise money to buy technology, tools, and books to be shared by Kisumu Time Hub. YTB is a 501(c)(3) nonprofit, EIN 84-3685123, led by Jerome Scriptunas, who is also YTB's RaiseRight Coordinator.

How Does This Benefit Kisumu Time Hub and people in Kisumu?

Kisumu Time Hub is dedicated to empowering young people in Kisumu by supporting a variety of youth-led projects including vertical gardens and plans for a book and tool sharing library in Kisumu. These initiatives are designed to foster education, skill development, and community engagement among the youth and community members. By selecting YTB as your chosen organization on RaiseRight, you directly contribute to these projects with every gift card purchase you make.
